

## Instructions Conference Schedule

This year we use a fully online conference schedule – instead of a paper version. Here, we shortly explain how the Conference Schedule website works and what options you can use.

With the following URL you will find the conference schedule: <https://hrm-network.nl/conference-schedule/>

**1. Conference days: on the top, you can find the three days (Wednesday 9th to Friday 11th November), on which you can click to select the program for that specific day.**

The screenshot shows the HRM network.nl website. The navigation bar includes links for Home, About the network, HRM conference 2022, Conference Schedule, Latest news, and Contact. Below the navigation bar is a search bar labeled 'Filter/Search...' with buttons for 'Show My Picks' and 'ShowHide All'. A blue arrow labeled '1' points to the date selection tabs: 'Wednesday 9 Nov 2022', 'Thursday 10 Nov 2022', and 'Friday 11 Nov 2022'. The 'Wednesday 9 Nov 2022' tab is selected. Below the tabs, the schedule for Wednesday is listed:

- ▶ 8:30 am – 1:30 pm pHResh doctoral consortium
- ▶ 11:30 am – 1:30 pm Conference registration
- ▶ 12:00 pm – 1:30 pm Lunch Wednesday

**2. By clicking on a Session (in red text) you will get more information about the shown timeframe.**

The screenshot shows the HRM network.nl website with the 'Wednesday 9 Nov 2022' tab selected. A blue arrow labeled '2' points to the session '1:45 pm – 2:00 pm Welcome to the conference'. Clicking on this session opens a detailed view for 'Conference Opening'.
